

BOJC Adult Spring Outing

It is time to make your reservation for our **2022 Spring Outing at Barothy Lodge** in Walhalla, Michigan. This year's event will be **Friday, April 1 through Sunday, April 3**. The cost, including food and lodging, is only \$240 – a serious bargain, especially when you factor in the fabulous meals prepared by our Chef Justin Staley, assisted by Kristy Staley. **Get your registration in by Sunday, March 5th to earn a chance to win up to \$150 in raffle tickets.** We have only 27 beds and we expect to fill them all. Reservations are first come, first served, so don't delay! Late registrants may not have their choice of lodging!

Special Event -----

Mike Zalewski, noted bass fisherman, will be helping us tie some of his smashmouth smallmouth bass flies that will fool even the most finicky fish. Mike will be assisted by his wife Sharon who is also an accomplished fly tyr. There will be a nominal fee collected for those who choose to take this journey Saturday in place of chasing Steelhead on the Pere Marquette River.

Special Saturday Dinner Raffle -----

Be prepared for some "new and interesting" raffle and Food options for the Saturday evening dinner! Chef Justin always provides amazing Food for this weekend!

Raffle/Auction Donations Needed! -----

The Adult Spring Outing is our major source for raising funds to support the kids. No one goes home without some new gear no matter how hard you try due to the raffle/auction. If you would like to help and have some gear you just don't use anymore bring it along so we can support the BOJC! Some items we may live auction Saturday night while other items will go directly to a child to help them hold the love of fishing and embrace the outdoors. It does not have to be a fishing item, use your creativity!

Why We Do This -----

Above all, please remember that the Spring Outing is not just a chance to see old friends and do some spring steel heading – it is also our major fundraiser for the year, the primary source of funds to support our Fall Campfire, the youth education program which is the real reason for our existence. It is the money raised at the Spring Outing that enables us to offer the Campfire program, and to do so at a very affordable price. Finally, the Spring Outing is the only opportunity each year for us to come together as a group, without the kids, to do the planning to make each Campfire even better than the last. Please plan to join us and bring your checkbook, ideas and a friend who enjoys fly fishing and might be interested in our club. ***Your contribution is important to the on-going success of our organization.***
